

Had fun going out to the Eisenhower Birthplace State Historic Site in Denison, TX (POTA park K-6553) for some APE fun this year. Made 2 trips out there and tried to make the required 20 QSO's using PSK31, but I only managed to make 18 contacts this year. My thanks to those who I contacted...

Hopefully, next year won't be so hot here in Texas and I'll be able to spend more time at the park.
